A LONGEXPECTED PARTY

When Mr Bilbo Baggins of Bag End announced that he
would shortly be celebrating his eleventyfirst birthday with
a party of special magnificence there was much talk and
excitement in Hobbiton
Bilbo was very rich and very peculiar and had been the
wonder of the Shire for sixty years ever since his remarkable
disappearance and unexpected return The riches he had
brought back from his travels had now become a local legend
and it was popularly believed whatever the old folk might
say that the Hill at Bag End was full of tunnels stuffed with
treasure And if that was not enough for fame there was also
his prolonged vigour to marvel at Time wore on but it
seemed to have little effect on Mr Baggins At ninety he was
much the same as at fifty At ninetynine they began to call
him wellpreserved but unchanged would have been nearer the
mark There were some that shook their heads and thought
this was too much of a good thing it seemed unfair that
anyone should possess apparently perpetual youth as well
